

ARKANSAS CHRISTIAN ACADEMY

Immunization Requirements

Dear Parent/Guardian,

The Arkansas State Board of Health requires that every child: be in compliance with the required vaccines, be in process of receiving necessary doses listed, show proof of immunity, or show proof of application to receive an exemption for those vaccines he/she has not received. In order to maintain attendance at Arkansas Christian Academy, the school nurse must have proof of the required doses by October 1 of the current school year. Please contact the nurse for any assistance regarding vaccination compliance.
